Parkland Health and Hospital Systems–Dallas, Texas

RESEARCH EXPERIENCE

09/1998–09/2000 **Post-Doctoral Fellowship Research**
UT Southwestern Medical Center Neuropsychology Service–Dallas, Texas

12/1996–11/1998 **Dissertation Research**
UT Southwestern Neuropsychology Service–Dallas, Texas
Dissertation Chair: C. Munro Cullum, Ph.D., ABPP-CN
Dissertation Title: *A Comparison of Methods to Localize the Seizure Focus: Determining the Most Effective Predictors of Seizure Laterality*

08/1996–08/1998 **Research Practicum**
UT Southwestern Medical Center Neuropsychology Service–Dallas, Texas

09/1993–01/1994 **Research Assistant**
Southern Methodist University–Dallas, Texas

11/1993–05/1994 **Research Apprenticeship/Undergraduate Honors Research**
Southern Methodist University–Dallas, Texas

TEACHING & SUPERVISION EXPERIENCE

01/2011-present **Neurology Resident Training Rotation**
University of South Alabama- Mobile, Alabama

- 08/2009-08/2010 **Supervision of Psychotherapy Cases for Psychiatry Residents**
University of South Alabama-Mobile, Alabama
- 08/2002-08/2006 **Supervision of Psychology Graduate Student Internship**
University of South Alabama-Mobile, Alabama
- 08/1998-09/2000 **Lab Instructor, Clinical Neuropsychology Course**
UT Southwestern Medical Center Graduate Clinical Psychology Program
- 08/1998-09/2000 **Guest Lecturer, Clinical Neuropsychology Course**
UT Southwestern Medical Center Graduate Clinical Psychology Program
- 08/1999-09/2000 **Supervision of Psychology Doctoral Students**
UT Southwestern Medical Center Neuropsychology Service
- 08/1993-01/1994 **Teaching Assistant**
Southern Methodist University, Dallas, Texas

ADDITIONAL EXPERIENCE

- 2018-present **American Academy of Clinical Neuropsychology Scientific Program
Review Committee**
- 2016, 2017&2020 **Basic and Advanced HIMS Trainings for FAA compliant
neuropsychological assessment of pilots and aircrew**
- 10/2015-present **Regional Board of Directors, Alabama Head Injury Foundation**
Mobile, Alabama
- 10/2000-10/2005 **Board of Directors, Epilepsy Foundation of South Alabama**
Mobile, Alabama
- 08/1998-present **Ad Hoc Reviewer**
Review of articles submitted to various neuropsychological journals,
including *Archives of Clinical Neuropsychology*, *Neuropsychology Review*,
Brain Injury, and *Journal of International Neuropsychological Society*

- 02/2000–08/2000 **Adjustment to Living with a Brain Tumor**
UT Southwestern Center for Neuro-Oncology: Designed and implemented a six-week psychoeducational program for patients with brain tumors and their family members.
- 01/1997–01/1998 **Family Resiliency Project**
UT Southwestern Medical Center/Dallas County MHMR: Served as part of a multi-disciplinary team conducting six-week interventions with families in which an adult member has a mental illness. Led psychotherapy groups for children and adolescents, focusing on the development of skills to cope with difficulties associated with their family member's illness.
